

The image shows the Seattle Preparatory School building, a modern structure with a mix of brick and concrete. A prominent feature is a large green wall on the left side, which is partially covered with colorful autumn foliage in shades of red, orange, and yellow. The building has a multi-story glass entrance area with a white frame. In the foreground, there is a well-maintained green lawn and a concrete sidewalk. Two tall, white, modern-style lamp posts stand on either side of the sidewalk. The sky is blue with scattered white clouds.
