

I was sure the results were because of contamination.

It was said to have murdered the victim in this case.

EXPERTS SAY KNIFE DID NOT HAVE KNOX. VICTIM'S DNA ON IT

It's a little different than we're used to.

EXPERTS EXPRESS DOUBT ABOUT

[laughing] -One of... The one guy who...

EXPERTS EXPRESS DOUBT ABOUT

is if the DNA is [unclear] credible, how did things get to this point?

that Americans should intervene at the top levels of our government?

I think the president should get involved

The American media was focusing only on the DNA.
