

# CONCLUSIONS:

1. Contamination of crime scene
2. Untrue testimony and public statements
3. Failure to document the crime scene
4. Misleading leaks to the press
5. Refusal/failure to do any investigation that had the potential to contradict their conclusions
6. Intentional concealment of exculpatory evidence
7. No physical evidence whatsoever that supports the prosecution
8. Simple, basic incompetence
9. "Cherry-Picking" of evidence
10. Decision on the culpability made prior to the first evidence return
