

ALL THE FOLLOWING TIMES ARE TAKEN FROM COURT DOCUMENTS, STATEMENTS, MESSAGES AND INTERCEPTS.

On the 2nd on November, Amanda Knox's own words say "I was in a room for six hours straight" and "around 9 at night" she was placed in a waiting room where she talked to others and made and received phone calls from friends and family. No mention of being questioned after 9pm. Phone intercept she complains that she wasn't being questioned and was just standing or sitting around while the Police do nothing.

15:00 until 21:00 = SIX hours

She left the Police station at 05:30 after 15 HOURS TOTAL with Police

On the 3rd November she returned to the Police station at 11:00. This day she was taken to the cottage. Amanda Knox's own words say "a good five and a half hour day" makes it 17:00 when finished. This is corroborated with phone intercept as she was leaving the station. Afterwards she went shopping and out to eat with Raffaella.

She has spent 21 HOURS TOTAL with Police, most of it in the company of others.

On the 4th November Amanda was once again at the Police station. She arrived there at 13:30 and was questioned no later than 16:30. After this time she was with other housemates when they were brought back again to the cottage. She left the Police station at 20:30. SHE WAS NOT ALONE for the full duration. This was the day she wrote her email home and we have no reason to disbelieve her hourly accounts of the past two days as they are corroborated by phone intercepts and activity.

She has spent 29 HOURS TOTAL with Police

On the 5th November Amanda attended classes and was not called to the Police station. When Raffaella was called in that night at 22:00 they waited until 22:30 before arriving. Amanda was told to go home but refused. At 23:00 she was asked to help make a list of people who visited the cottage. At 00:30 the interpreter arrived and "Amanda was calm and answering questions"

ONE HOUR AND 15 MINUTES LATER Amanda Knox had placed herself at the murder and blamed an innocent man.

AS REQUIRED BY LAW ALL QUESTIONING WAS STOPPED AS SHE HAD CHANGED STATUS FROM WITNESS TO SUSPECT

From the 2nd to the 4th November, she has spent 31 HOURS and 45 MINUTES with Police and now has 27 free hours (more than a day) between the night of the 4th and arriving at the station on the night of the 5th.

SHE WAS QUESTIONED FOR LESS THAN 6 HOURS ON THE 2ND

SHE WAS QUESTIONED FOR WAY LESS THAN 6 HOURS ON THE 3RD

IT'S REASONABLE TO ASSUME SHE WAS QUESTIONED ON THE 4TH FOR LESS THAN 3 HOURS

AFTER A 27 HOUR BREAK, SHE WAS WITH THE POLICE FOR 2 HOURS 45 MINUTES ON THE 5TH BEFORE SHE BLAMED AN INNOCENT AND THERE WERE NO CLAIMS OF PRESSURE BEFORE 00:30

53 HOUR INTERROGATION IS A LIE WHICH AMANDA KNOX IS FULLY AWARE IS A LIE. NO 53 HOUR INTERROGATION MEANS NO REASON FOR AMANDA NOT TO KNOW THE TRUTH. "BECAUSE THIS IS WHAT THEY TOLD ME HAPPENED" IS NOTHING MORE THAN A LIARS TACTIC WHEN THEY WANT OTHERS TO PROVIDE "THE BEST TRUTH". MORE OF THESE ARE FOUND IN AMANDA'S LETTERS TO HER LAWYERS.
