

Trump's Coronavirus Approval Has Fallen Underwater

More Americans now disapprove than approve of President Trump's handling of the coronavirus pandemic for the first time in our daily tracking polls.

- His net approval on coronavirus has fallen 13 points over the course of the week (from +10 to -3).
- This is a substantial decline from an apparent peak in his approval at the start of the week, and it is increasingly converging with the president's overall approval rating (46% approve/52% disapprove).

Do you approve or disapprove of the way that Donald Trump is handling the coronavirus pandemic?
